

## Plains All American Pipeline and Plains GP Holdings Announce Quarterly Distributions and Timing of Fourth Quarter 2025 Earnings

January 5, 2026

HOUSTON, Jan. 05, 2026 (GLOBE NEWSWIRE) -- Plains All American Pipeline, L.P. (Nasdaq: [PAA](#)) and Plains GP Holdings (Nasdaq: [PAGP](#)) announced today their quarterly distributions with respect to the fourth quarter of 2025 and also announced timing of fourth quarter 2025 earnings.

### Fourth Quarter Distribution Declaration

PAA and PAGP announced the following quarterly cash distributions, each of which will be payable on February 13, 2026, to holders of the respective securities at the close of business on January 30, 2026:

- PAA Common Units – \$0.4175 per Common Unit (\$1.67 per unit on an annualized basis), which represents a \$0.0375 increase from the distribution paid in November 2025 (\$0.15 per unit increase, or 10%, on an annualized basis).
- PAGP Class A Shares – \$0.4175 per Class A Share (\$1.67 per Class A Share on an annualized basis), which represents a \$0.0375 increase from the distribution paid in November 2025 (\$0.15 per unit increase, or 10%, on an annualized basis).
- PAA Series A Preferred Units – \$0.61524 per Series A Preferred Unit (approximately \$2.46 per unit on an annualized basis).

For its Series B Preferred Units, PAA announced a quarterly distribution of \$21.02 per Series B Unit (based on the applicable quarterly floating rate), which will be payable on February 17, 2026, to holders of record at the close of business on February 2, 2026.

Although equity holders should consult their own tax advisor regarding their particular circumstances, due to the pending NGL assets sale, PAGP expects to report positive current earnings and profits for the Tax Year 2026, making part of its Class A Share cash distribution taxable as a dividend. The transaction is not estimated to result in a material change in the previous forecast regarding when routine PAGP distributions will shift from being a return of capital to being taxed as dividends or when PAGP will become a taxpaying entity. After the transaction closes, and upon payment of quarterly distributions throughout 2026, Plains will publish Form 8937, Report of Organizational Actions Affecting Basis of Securities to clarify the expected portion of the quarterly distribution that will be taxed as a dividend. In addition, to the extent any cash distribution exceeds a Class A Shareholder's tax basis, it should be taxable as a capital gain. Qualified Notices under Treasury Regulation Section 1.1446 with respect to the PAA Common Unit distribution and PAA Series B Preferred Unit distribution will be posted on the Plains website under "Investor Relations – Unit Information."
